Summer Stretch 2024

Welcome!

Welcome!

The School District of New Richmond is excited to provide you with this information on summer learning opportunities for your child! We welcome you to take advantage of our academic and activity classes.

Who can register for Summer Stretch?

Summer Stretch offers summer school classes for students from Pre-Kindergarten (entering Kindergarten Fall 2024) through current 7th graders. Summer Stretch is a FREE summer program for students in the School District of New Richmond. Current open-enrolled students don't pay for Summer Stretch; non-district students may register for Summer Stretch classes and pay a small fee of \$30.00 per class. While preference will be given to district students, we encourage you to share this opportunity with others, even if their children aren't enrolled in the School District of New Richmond or St. Mary's School.

When is Summer Stretch?

Classes this year will run from Monday, June 10th through Friday, June 28th. The classes available vary at each grade level and are described in detail in the information that follows.

Summer Stretch classes at our elementary and middle schools will start at 8:00 AM and finish at approximately 11:30 AM. A supervised recess period is included in this time period.

Summer Stretch Dates

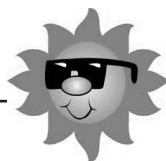

Monday, June 10 - Friday, June 14, 2024

Monday, June 17 - Friday, June 21, 2024

Monday, June 24 - Friday, June 28, 2024

15 Days of Summer Fun!

Summer Stretch 2024

Key information about Summer Stretch

Key information about “Summer Stretch” classes include:

- Summer Stretch registration opens at **5:30 a.m., Monday, March 18th**
- Class locations vary per grade:
 - HILLSIDE:** 4 sections of **Pre-Kindergarten + Grades K-1** classes
 - STARR:** 3 sections of **Pre-Kindergarten + Grades 2-4** classes
 - MIDDLE SCHOOL:** **Grades 5-7** classes
- Students currently in Kindergarten–Grade 7 will be able to register for 3 classes per day. A variety of enrichment and review classes will be available. Please talk to your child’s teacher to see if s/he has any recommendations for you regarding the classes that may be most beneficial to your child.
- Summer Stretch will end at approximately 11:30 AM.
- Snack-time will be offered daily. Students are responsible for their own snacks.
- Busing is available during Summer Stretch. For more information, see Transportation Information (page 6) and Forms (pages 64-65).
- High School summer program is run separately from Summer Stretch. Students currently in grades 8-11 that are interested in this option should contact the High School office.

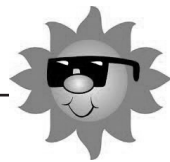

How to register for Summer Stretch

Registration for Summer Stretch 2024 opens on **March 18th at 5:30 a.m.** All registrations should be submitted online or turned in no later than **Monday, April 8th**.

Classes are filled on a “first come, first served” basis and typically fill quickly. Please register online at **www.newrichmond.k12.wi.us**. For our online registration, if the class is already full, you will not be able to register for that class. Paper registration forms* should be returned to your child’s school office (Hillside, Paperjack, or Starr Elementary, Middle School) or the District Office. ****Online registration is preferred, as classes are subject to availability.***

Once the registration period has ended (April 8th) and scheduling has been completed students will receive a confirmation packet in the mail, which will include: class schedule, building map, name tag, and bus information. Please do not call to inquire about the status of your registration unless you have not heard from us by May 27th.

Summer Stretch 2024

Important registration guidelines:

- **ELEYO** is the online registration system that you will use to register for Summer Stretch. See page 58 for registration information regarding Eleyo.
- Register your child based on their **current 2023-24 grade-level**.
- One registration form should be completed for each child.
- There is no cost* for School District of New Richmond resident students to attend Summer Stretch. **Some classes may require a supply fee.*
- Complete all the registration information including contact information and emergency information.
- **Registration opens Monday, March 18, 2024 (online at 5:30 a.m.)**
- **Registration closes Monday, April 8, 2024.**

Transportation Information

There will be multiple bus routes in operation that will pick up and drop off students at prearranged locations at the start and end of Summer Stretch. Parents will be responsible for picking their child up at the afternoon drop off.

Please complete the enclosed transportation forms (even if you are dropping up/picking up your student) and return with your registration materials by April 8th. **See Page 64-65 for forms.

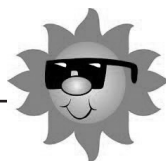

For General Busing Questions:

Kobussen Buses Ltd.

(715) 500-2147

Reminder!
Registration Deadline
Monday, April 8, 2024

Summer Stretch 2024

Quick Reference Guide

Where are Summer Stretch classes located?

HILLSIDE: 4 sections of Pre-Kindergarten + Grades K-1 classes

STARR: 3 sections of Pre-Kindergarten + Grades 2-4 classes

MIDDLE SCHOOL: Grades 5-7 classes

What Grade level should my child be registered for?

Please use your child's grade level during the CURRENT 2023-24 school year as the basis for their course selection in Summer Stretch.

How many classes can each student take?

*K-7 students will be able to register for **3 classes per day**.

*Pre-Kindergarten students will be with the same teacher throughout the morning.

Will any classes be canceled?

If classes are canceled due to insufficient enrollment or other unforeseen reasons, your child will be registered in a different (yet similar) class when possible.

What classes are available?

A **variety of enrichment and review classes** are available. Please talk to your child's teacher to see if s/he has any recommendations regarding what classes may be beneficial for your child.

How much does each class cost?

Summer Stretch is free* to School District of New Richmond resident students. Current open-enrolled students may register free of charge.

There is a \$30.00 per class charge for non-resident students.

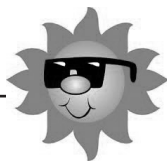

**Some classes require a supply fee.*

Where should I submit registration forms?

Completed paper registration materials should be returned to your child's elementary or middle school office. No paperwork is required for online registration; however, we recommend printing your registration confirmation.

Will breakfast or lunch be served?

Breakfast meals **ONLY** will be offered at all sites. Meal accounts are charged for each breakfast meal just like during the school year. If your household qualified for free/reduced price meals during the school year they are still eligible for these benefits during the summer.

Quick Reference Guide – continued

When can I drop my child off?

Supervision will be provided at each building from 7:45-11:45. **Please do not drop your child off before 7:45 a.m. UNLESS the student will be enjoying breakfast in the cafeteria.**

When will we find out what classes my child has?

Once the registration period has ended (April 8th), and scheduling has been completed, students will receive a confirmation packet in the mail, which includes: class schedule, building map, name tag, and bus information. **Packets will be mailed the week of May 6th.**

What if my child has a disability?

Parents with questions regarding Summer Stretch classes for their child with disabilities are encouraged to speak with their child's IEP manager for recommendations.

What if my child has a medical issue?

Health Assistants are staffed at all three Summer Stretch locations. Please indicate any medical issues online or on page 62 of the Summer Stretch Registration Forms.

What if I know my child will have to miss some days due to family plans?

Teachers will try to make accommodations for family plans. Please be sure to notify us in advance if possible. Students in review classes will maximize their skills by regular attendance.

How do I report an absence?

In the event of an absence, **please call the school at which the student attends Summer Stretch class(es).**

Hillside Elementary Attendance Line:	(715) 243-1419
Starr Elementary Attendance Line:	(715) 243-7434
Middle School Attendance Line:	(715) 243-1616

How will the schools handle behavior issues?

Students who display behavior that results in the disruption of the educational process may be dropped from Summer Stretch after sufficient warning and parental notice from the Principal.

Summer Stretch 2024

Breakfast and Lunch Meals During Summer 2024

All students enrolled in Summer Stretch will be offered breakfast from 7:30-8 am each week day at their Summer Stretch site. Breakfast meals will be served by the School Nutrition Department and consumed by students in building cafeterias.

Breakfast meals will be \$1.50. However, if your household qualifies for educational benefits (ie. free/reduced price meals) your children will eat at no cost. If you wish to apply for these benefits, please visit the School Nutrition page of our website.

Lunch meals will not be provided within the Summer Stretch program. However, our School Nutrition Department will be offering meals in our community.

Paperjack Park 11:30-12:15 (during Summer Stretch)

- Monday - Friday; June 10-28, 2024
- Meals will be free to children from households who qualify for educational benefits (ie: free/reduced meals), otherwise meal accounts will be charged \$3.00/meal.
- Sign up will be available in May.

Meal Boxes - New Richmond Middle School (during Jumpstart)

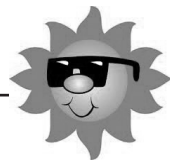

- 5 days worth of breakfast and lunch meals
- Thursdays (7/11, 7/18, 7/25, 8/1)
- Boxes will be free to children from households who qualify for educational benefits (ie: free/reduced meals), otherwise meal accounts will be charged \$25.00/box)
- Sign up will be available in June.

**** All students in Tiger Pack will be fed lunch meals at their school building site after Summer Stretch programming. Lunch meals will be \$2.60 each, or no cost if your household qualifies for educational benefits (ie: free/reduced meal).**

Questions about meals, please contact Nikke Hafemeyer at 715-243-1676.

-Learning does not end when school is out, neither does the need for good nutrition - which is crucial for children to have safe and productive summer.

Pre-Kindergarten Classes

Hillside Elementary & Starr Elementary

- **Pre-Kindergarten Summer Stretch classes are for students starting Kindergarten in the Fall of 2024.**
- 4 sections of Pre-Kindergarten classes will be held at Hillside Elementary and 3 sections at Starr Elementary.
- Please select the PreK class location that best fits your family's needs. *(Example: If your PreK student has siblings at Starr, register for the PreK –Starr class.)*
- Please submit one registration form per child.
- Classes will be from 8:00-11:30 AM. Recess will be supervised.
- Students will be with the same teacher throughout the morning.
- Pre-Kindergarten classes are free to district residents and current open-enrolled students. Non-resident students may register for PreK for \$90.00. (Fee includes entire morning Pre-Kindergarten class.)
- Each Pre-Kindergarten class will focus on different weekly themes, but all will work on the skills that will help your child get off to a successful start in Kindergarten.

Pre-Kindergarten Courses

Pre-Kindergarten

PK-H	Pre-Kindergarten - Hillside		
Grade	Time	Instructor	Location
PreK	8:00-11:20	Various	Hillside Elementary

Each Pre-Kindergarten class will focus on different weekly themes, but all will work on the skills that will help your child get off to a successful start in Kindergarten.

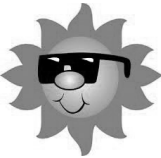

PK-S	Pre-Kindergarten - STARR		
Grade	Time	Instructor	Location
PreK	8:00-11:15	Various	Starr Elementary

Each Pre-Kindergarten class will focus on different weekly themes, but all classes will help students work on the skills necessary for a successful start in Kindergarten.

15 Days of Summer FUN!!!!

Summer Stretch 2024

H1-A		Fun & Fit For Life	
Grade	Time	Instructor	Location

K - 1 8:00 - 9:00 Kaitlynn Belisle Hillside Elementary

Join us on an adventure of fun and fitness! Each day we will meet in the gym to get our bodies moving. Students will learn about the importance of an active and healthy lifestyle. Through play, we will explore the topics of nutrition, healthy choices, physical activity, and sportsmanship.

H1-B		Out of this World: Space Camp	
Grade	Time	Instructor	Location

K - 1 8:00 - 9:00 Heather Bjerne Hillside Elementary

Join your fellow astronauts and let’s explore the planets, stars, and the galaxies! Watch out for aliens!

H1-C		Fun with Numbers	
Grade	Time	Instructor	Location

K - 1 8:00 - 9:00 Kristine Russell Hillside Elementary

For students currently in grades K - 1. Students will continue to build their addition and subtraction skills through hands-on activities designed to review and deepen their understanding from the school year.

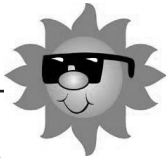

H1-D		Build with Barbie	
Grade	Time	Instructor	Location

K - 1 8:00 - 9:00 Auna Hildahl Hillside Elementary

In this class you’ll use your imagination to build and create fun accessories for your Barbie. Each week we will explore different themes via the Barbie vlog and various other stories and then create special items for our dolls. Bring your favorite Barbie/doll to class for our weekly adventures!

Grades K-1 - Hillside Elementary

Summer Stretch 2024

Grades K-1 - Hillside Elementary

H1-E Creative Crafts

Grade	Time	Instructor	Location
-------	------	------------	----------

K - 1	8:00 - 9:00	Kaylee Birch	Hillside Elementary
-------	-------------	--------------	---------------------

Spark your artistic imagination in this awesome class! Students will make unique crafts with clay, glitter, beads, paints and many more art supplies, while collaborating with their friends.

H1-F Reading Rainbow

Grade	Time	Instructor	Location
-------	------	------------	----------

K - 1	8:00 - 9:00	Emily Bechel	Hillside Elementary
-------	-------------	--------------	---------------------

Come have fun with your classmates as we explore and experience some of the best picture books in the library! Each week we will have a different theme with fun activities. We will work on our language and reading skills by acting out the stories, talking about what they mean, retelling the stories to our friends, creative art projects, games and much more.

H1-G Build a Fairy Garden

Grade	Time	Instructor	Location
-------	------	------------	----------

K - 1	8:00 - 9:00	Hazle Cain	Hillside Elementary
-------	-------------	------------	---------------------

In this class students will design and create their very own Fairy Garden. Each day we will focus on a different item to add to their garden, with each student having time and materials to add their own personal twist. (Each student will need to bring a container to house their garden.)

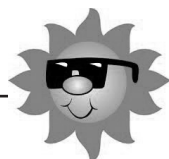

H1-H Reading Rocks! Grade K Reading Review

Grade	Time	Instructor	Location
-------	------	------------	----------

K	8:00 - 9:00	Shannon Fortner	Hillside Elementary
---	-------------	-----------------	---------------------

This summer review class will reinforce reading skills that have been introduced during the school year. Areas that will be addressed include vocabulary, decoding, comprehension, and fluency. (This course is designed for students needing extra support with reading.)

Summer Stretch 2024

H1-J Board Games for All

Grade	Time	Instructor	Location
K - 1	8:00 - 9:00	Jackie Zeilinger	Hillside Elementary

Do you like to play games? Join us as we have fun learning while playing games. Students will be introduced to some new and exciting board and card games. We will also dip into the old game closet to play some oldies but goodies.

H1-K Under the Sea

Grade	Time	Instructor	Location
K - 1	8:00 - 9:00	Deb McCarthy	Hillside Elementary

Learn about the ocean and the creatures that live there. Students will read stories about the ocean, create sea creature artwork and have fun with other special surprises.

H1-L Yoga for Kids

Grade	Time	Instructor	Location
K - 1	8:00 - 9:00	Marie Brims	Hillside Elementary

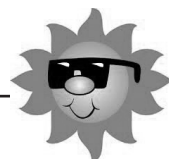

Yoga is so fun!!!! Come join us as we learn all about yoga. Each day we will learn fun new yoga poses that move along with a story and/or music. We will work on our focus, balance, flexibility and strength.

H1-M Move to the Music!

Grade	Time	Instructor	Location
K - 1	8:00 - 9:00	Macy Roberts-Carlson	Hillside Elementary

Come and learn how to move and groove this summer! In this class we will be learning about all types of dance and how to move to the music! Throughout our time together we will learn a dance routine that we will get to share with other classes!

Summer Stretch 2024

H1-N Make It & Take It

Grade	Time	Instructor	Location
K - 1	8:00 - 9:00	Erica Pickett	Hillside Elementary

Do you love working with your hands? This class lets you explore and create fabulous crafts to take home and enjoy. We will concentrate on exercising fine motor skills and creativity by painting, gluing, cutting and crafting a new project each week.

H1-O Books and Cooks (\$5 supply fee)

Grade	Time	Instructor	Location
K - 1	8:00 - 9:00	Kim Mycke-Ford	Hillside Elementary

In Books & Cooks, we will be reading and listening to a variety of literature and participating in cooking activities. We will make fun recipes related to the books we are reading. We will read many books throughout the class!
**Please let us know if your child has ANY food allergies.

H1-P Storybooks and Art

Grade	Time	Instructor	Location
K - 1	8:00 - 9:00	Melinda Anderson	Hillside Elementary

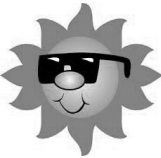

If you love to read and create fun art projects, this is the class for you! We will read some favorite picture books and then use various materials to recreate characters, illustrations, and settings. At the end of this class, you will have lots of fabulous artwork to take home!

H1-Q Mythical Mermaids

Grade	Time	Instructor	Location
K - 1	8:00 - 9:00	Megan Barrett	Hillside Elementary

In this fin-tastic class, students will read a variety of mermaid stories and write their own tales (or tails)! We will also craft and play the mermaid way!

Summer Stretch 2024

H1-R Animals and their Habitats			
Grade	Time	Instructor	Location
K - 1	8:00 - 9:00	Ashlie Brish	Hillside Elementary

Join us and explore different animals and their habitats through creative projects, sensory exploration, read alouds, and experiments.

H1-S Speech/Language Fun! (Teacher recommendation only)			
Grade	Time	Instructor	Location
K-1	8:00 - 9:00	Brooke John	Hillside Elementary

Come join us for some fun speech and language activities to enrich your speech and language skills! We will be working on articulation, phonemic awareness, letter/sound correspondence, language concepts (spatial, temporal, qualitative, quantitative), expanding utterances and learning new vocabulary. Your child will be working with a speech-language pathologist to work towards maintaining their IEP goals during the summer months. ** Only Register for this class if your child’s teacher has recommended.

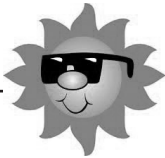

Grades K-1 - Hillside Elementary

End of 8:00 - 9:00 a.m. Class List

H2-A Fun & Fit For Life			
Grade	Time	Instructor	Location
K - 1	9:05 - 10:05	Kaitlynn Belisle	Hillside Elementary

Join us on an adventure of fun and fitness! Each day we will meet in the gym to get our bodies moving. Students will learn about the importance of an active and healthy lifestyle. Through play, we will explore the topics of nutrition, healthy choices, physical activity, and sportsmanship.

Summer Stretch 2024

H2-B Out of this World: Space Camp

Grade	Time	Instructor	Location
-------	------	------------	----------

K - 1 9:05 - 10:05 Heather Bjorne Hillside Elementary

Join your fellow astronauts and let's explore the planets, stars, and the galaxies! Watch out for aliens!

H2-C Fun with Numbers

Grade	Time	Instructor	Location
-------	------	------------	----------

K - 1 9:05 - 10:05 Kristine Russell Hillside Elementary

For students currently in grades K - 1. Students will continue to build their addition and subtraction skills through hands-on activities designed to review and deepen their understanding from the school year.

H2-D Exploring the Rainforest

Grade	Time	Instructor	Location
-------	------	------------	----------

K - 1 9:05 - 10:05 Auna Hildahl Hillside Elementary

Students will have a fun summer getting a chance to learn about the rainforest and many animals that live in the rainforest. We will read books, play games and create art projects all related to the rainforest.

H2-E Garden Fun!

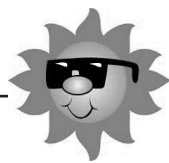

Grade	Time	Instructor	Location
-------	------	------------	----------

K - 1 9:05 - 10:05 Kaylee Birch Hillside Elementary

Do you have a green thumb? Want to learn more about how gardens grow? Come explore the amazing world of plants and gardening. Students will get to decorate their own pot, plant a mini garden and learn the proper way to care for their mini-garden.

Grades K-1 - Hillside Elementary

Summer Stretch 2024

H2-F Board Game Bonanza

Grade	Time	Instructor	Location
K - 1	9:05 - 10:05	Emily Bechel	Hillside Elementary

It's game day here at Hillside Elementary! Come join us as we have a game party! We will increase our critical thinking, learn how to effectively work together and enjoy new board games like Dinosaur Escape, Yeti or Not, and Count Your Chickens! We will have a new game everyday to try and rotate them through so everyone gets a chance!

H2-G Build a Fairy Garden

Grade	Time	Instructor	Location
K - 1	9:05 - 10:05	Hazle Cain	Hillside Elementary

In this class students will design and create their very own Fairy Garden. Each day we will focus on a different item to add to their garden, with each student having time and materials to add their own personal twist. (Each student will need to bring a container to house their garden.)

H2-H Reading Rocks! Grade 1 Reading Review

Grade	Time	Instructor	Location
1	9:05 - 10:05	Shannon Fortner	Hillside Elementary

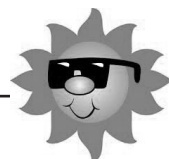

This summer review class will reinforce reading skills that have been introduced during the school year. Areas that will be addressed include vocabulary, decoding, comprehension, and fluency. (This course is designed for students needing extra support with reading.)

H2-J Puzzles, Puzzles, Puzzles

Grade	Time	Instructor	Location
K - 1	9:05 - 10:05	Jackie Zeilinger	Hillside Elementary

Do you like Puzzles? Do you know that puzzles come in all shapes, sizes and levels of difficulty? Besides being fun, puzzles help us with our Math skills, reading skills, and spelling skills. Come join us as we have fun working together on different puzzles.

Summer Stretch 2024

H2-K Under the Sea

Grade	Time	Instructor	Location
K - 1	9:05 - 10:05	Deb McCarthy	Hillside Elementary

Learn about the ocean and the creatures that live there. Students will read stories about the ocean, create sea creature artwork and have fun with other special surprises.

H2-L Yoga for Kids

Grade	Time	Instructor	Location
K - 1	9:05 - 10:05	Marie Brims	Hillside Elementary

Yoga is so fun!!!! Come join us as we learn all about yoga. Each day we will learn fun new yoga poses that move along with a story and/or music. We will work on our focus, balance, flexibility and strength.

H2-M Move to the Music!

Grade	Time	Instructor	Location
K - 1	9:05 - 10:05	Macy Roberts-Carlson	Hillside Elementary

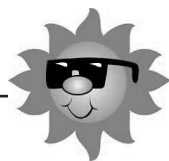

Come and learn how to move and groove this summer! In this class we will be learning about all types of dance and how to move to the music! Throughout our time together we will learn a dance routine that we will get to share with other classes!

H2-N Make It & Take It

Grade	Time	Instructor	Location
K - 1	9:05 - 10:05	Erica Pickett	Hillside Elementary

Do you love working with your hands? This class lets you explore and create fabulous crafts to take home and enjoy. We will concentrate on exercising fine motor skills and creativity by painting, gluing, cutting and crafting a new project each week.

Summer Stretch 2024

H2-O Books and Cooks (\$5 supply fee)

Grade	Time	Instructor	Location
K - 1	9:05 - 10:05	Kim Mycke-Ford	Hillside Elementary

In Books & Cooks, we will be reading and listening to a variety of literature and participating in cooking activities. We will make fun recipes related to the books we are reading. We will read many books throughout the class!
**Please let us know if your child has ANY food allergies.

H2-P Storybooks and Art

Grade	Time	Instructor	Location
K - 1	9:05 - 10:05	Melinda Anderson	Hillside Elementary

If you love to read and create fun art projects, this is the class for you! We will read some favorite picture books and then use various materials to recreate characters, illustrations, and settings. At the end of this class, you will have lots of fabulous artwork to take home!

H2-Q Mythical Mermaids

Grade	Time	Instructor	Location
K - 1	9:05 - 10:05	Megan Barrett	Hillside Elementary

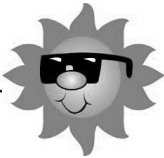

In this fin-tastic class, students will read a variety of mermaid stories and write their own tales (or tails)! We will also craft and play the mermaid way!

H2-R Sweet Summer Fun

Grade	Time	Instructor	Location
K - 1	9:05 - 10:05	Ashlie Brish	Hillside Elementary

Summer is full of sweet treats and exciting activities! Together we will have fun and stay cool with books, games, art projects, and science experiments all about our favorite summertime activities. Let's celebrate the beginning of summer break!

Summer Stretch 2024

H2-S Speech/Language Fun! (Teacher recommendation only)

Grade	Time	Instructor	Location
K-1	8:00 - 9:00	Brooke John	Hillside Elementary

Come join us for some fun speech and language activities to enrich your speech and language skills! We will be working on articulation, phonemic awareness, letter/sound correspondence, language concepts (spatial, temporal, qualitative, quantitative), expanding utterances and learning new vocabulary. Your child will be working with a speech-language pathologist to work towards maintaining their IEP goals during the summer months. ** Only Register for this class if your child’s teacher has recommended.

End of 9:05 -10:05 a.m. Class List

H3-A Fun & Fit For Life

Grade	Time	Instructor	Location
K - 1	10:25 -11:30	Kaitlynn Belisle	Hillside Elementary

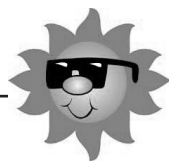

Join us on an adventure of fun and fitness! Each day we will meet in the gym to get our bodies moving. Students will learn about the importance of an active and healthy lifestyle. Through play, we will explore the topics of nutrition, healthy choices, physical activity, and sportsmanship.

H3-B Perler Bead Art

Grade	Time	Instructor	Location
K - 1	10:25 -11:30	Heather Bjorne	Hillside Elementary

Come share your creativity using Perler Beads. We will use our fine motor skills and imagination to create art projects using these little colorful little beads.

Summer Stretch 2024

H3-C Fun with Numbers

Grade	Time	Instructor	Location
K - 1	10:25 -11:30	Kristine Russell	Hillside Elementary

For students currently in grades K - 1. Students will continue to build their addition and subtraction skills through hands-on activities designed to review and deepen their understanding from the school year.

H3-D Disney Princesses

Grade	Time	Instructor	Location
K - 1	10:25 -11:30	Auna Hildahl	Hillside Elementary

If you love Disney Princesses this is the right class for you! In this class we will increase fine motor skills while making tiaras and fairy wands, enhance imagination by playing princess dress up, watch a princess movie, strengthen reading skills by reading princess stories and much more!

H3-E Outdoor Scientist

Grade	Time	Instructor	Location
K - 1	10:25 -11:30	Kaylee Birch	Hillside Elementary

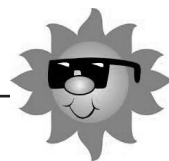

Summer is a great time to explore science! We will learn how to make predictions and use our five senses to explore how things move, grow, and change. Some of these science projects will turn into a work of art!

H3-F All About Animals

Grade	Time	Instructor	Location
K - 1	10:25 -11:30	Emily Bechel	Hillside Elementary

Are you familiar with the Kratt brothers? How about Zoboomafoo? Let's go on a Hillside adventure and learn about different animals of the world. We will be watching snippets from Wild Kratts, reading stories, playing games and participating in different activities to learn all about these different animals.

Summer Stretch 2024

H3-G Friendship Bracelets

Grade	Time	Instructor	Location
K - 1	10:25 -11:30	Hazle Cain	Hillside Elementary

Explore the rich history and symbolism behind friendship bracelets, as well as instructions to create beautiful bracelets. You will get to make your own bracelets and decide if you want to keep them for yourself or give to a friend!

H3-H Reading Rocks! Grade 1 Reading Review

Grade	Time	Instructor	Location
1	10:25 -11:30	Shannon Fortner	Hillside Elementary

This summer review class will reinforce reading skills that have been introduced during the school year. Areas that will be addressed include vocabulary, decoding, comprehension, and fluency. (This course is designed for students needing extra support with reading.)

H3-J Puzzles, Puzzles, Puzzles

Grade	Time	Instructor	Location
K - 1	10:25 -11:30	Jackie Zeilnger	Hillside Elementary

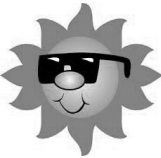

Do you like Puzzles? Do you know that puzzles come in all shapes, sizes and levels of difficulty? Besides being fun, puzzles help us with our Math skills, reading skills, and spelling skills. Come join us as we have fun working together on different puzzles.

H3-K Best Board Games

Grade	Time	Instructor	Location
K - 1	10:25 -11:30	Deb McCarthy	Hillside Elementary

Do you like to play games? Join us as we have fun learning through board games. Students will be introduced to some new and exciting board and card games, as well as some old classics. Students will culminate our time together by making their own board games!

Summer Stretch 2024

H3-L	Tiger Dash		
Grade	Time	Instructor	Location
K - 1	10:25 -11:30	Marie Brims	Hillside Elementary

Walk, hop, crawl, jump - join the fun as we experience different obstacle courses and activities over the next 15 days. Our Tigers will be working on their fine motor skills, improving balance and coordination as they move through planned obstacle courses and fitness routines. This class will be held indoors and outdoors, students will work individually and sometimes as a team. So come have fun and cheer on your friends and meet daily challenges. Please wear tennis shoes for class.

H3-M	Move to the Music!		
Grade	Time	Instructor	Location
K - 1	10:25 -11:30	Macy Roberts-Carlson	Hillside Elementary

Come and learn how to move and grove this summer! In this class we will be learning about all types of dance and how to move to the music! Throughout our time together we will learn a dance routine that we will get to share with other classes!

Summer is full of sweet treats and exciting activities! Together we will have fun and stay cool with books, games, art projects, and science experiments all about our favorite summertime activities. Let's celebrate the beginning of summer break!

End 10:25-11:30 a.m. Class List **End K-1 Class Descriptions**

Grades K-1 - Hillside Elementary

Summer Stretch 2024

S1-A Reading Success (grade 4)

Grade	Time	Instructor	Location
--------------	-------------	-------------------	-----------------

4	8:00 - 9:00	Megan Stephenson	Starr Elementary
---	-------------	------------------	------------------

This summer review class will reinforce reading skills that have been introduced during the school year. Areas that will be addressed include vocabulary, decoding, comprehension, and fluency. (This course is designed for students needing extra support with reading.)

S1-B Fitness & Fun

Grade	Time	Instructor	Location
--------------	-------------	-------------------	-----------------

2-4	8:00 - 9:00	Bailey Larson	Starr Elementary
-----	-------------	---------------	------------------

Fitness & Fun! Let's get active this summer! Fitness & Fun will teach you the fundamentals of sports along with good sportsmanship skills! You will also learn the importance of warming up and stretching prior to completing fitness activities. Sports included in this course are baseball/softball, football, hockey, soccer, kickball, basketball and more!

S1-C Reader's Theater

Grade	Time	Instructor	Location
--------------	-------------	-------------------	-----------------

2-4	8:00 - 9:00	Sarah Wilhelm	Starr Elementary
-----	-------------	---------------	------------------

Do you love to perform? In this class, you will have the opportunity to perform without the need for memorization, props, costumes or a set. Instead, be prepared to have fun bringing the story alive using your voice, facial expressions and gestures.

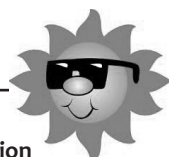

S1-D How-to-Jewelry

Grade	Time	Instructor	Location
--------------	-------------	-------------------	-----------------

2-4	8:00 - 9:00	Angie Brown	Starr Elementary
-----	-------------	-------------	------------------

In this class, we will create a variety of jewelry and make our own how-to book. The book will include step-by-step directions on how to make each piece of jewelry from class, so you will be able to re-create each piece in the future.

Summer Stretch 2024

S1-E Squishy Clays & Sticky Doughs

Grade	Time	Instructor	Location
2-4	8:00 - 9:00	Michelle Givens	Starr Elementary

Calling all kids who like working with their hands and getting a little messy. We will be learning how to make a variety of our own air-dry clays and reusable doughs using ingredients that you can find right in your own kitchen. What will we do with all these squishy clays and sticky doughs? We will use some to create fun treasures and some to just squish between our fingers for sticky fun. If you like creating with your hands this is the class for you!

S1-F Play Ball!!!

Grade	Time	Instructor	Location
2-4	8:00 - 9:00	William Knutson	Starr Elementary

This class will introduce you to a variety of sports played with a ball. You will learn the basics of baseball, football, soccer, four square and much more. Focus will be on playing games safely, practicing good sportsmanship and having fun. Student should wear comfortable clothing and tennis shoes. Activities will take place outside.

S1-G Cool Computer Math Games

Grade	Time	Instructor	Location
2-4	8:00 - 9:00	Jamie Knutson	Starr Elementary

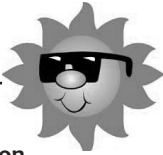

Do you love playing computer games? Do you want to be an even better math student? Learning math is fun with the introduction of over 10 different websites to grow students' logical thinking and math skills! Some games even let you play against some of your classmates, which just adds up to even more fun!

S1-H Kids that Cook (\$5 Supply Fee)

Grade	Time	Instructor	Location
2-4	8:00 - 9:00	Nicole Durow	Starr Elementary

Do you love to watch cooking shows on television? In this class we will learn how to follow child friendly recipes that do not require an oven. Our goal will be to enhance measuring, sequencing, and organizing skills. We will end the class with a cooking competition similar to "Little Big Shots" or "Star Kids". ** ** Please register for S3-H if your child has a food allergy.

Summer Stretch 2024

S1-J		Beginning Spanish	
Grade	Time	Instructor	Location

2-4 8:00 - 9:00 Elizabeth Stolte Starr Elementary

Hola! Are you interested in learning some bits and pieces from the world’s second most spoken language? In this class, we will learn colors, numbers, basic conversation, weather, and more through songs, games, and art. ¡Espero que puedas venir! Come join us!

S1-K		Lego Engineering	
Grade	Time	Instructor	Location

2-4 8:00 - 9:00 Tina Brunner Starr Elementary

Join us on the Starr campus to build elaborate objects, vehicles, & structures using LEGOS. Explore using math and science, while learning to collaborate and create without fear of mistakes. Students will grow and learn through exploration and imagination.

S1-L		Digital Gaming	
Grade	Time	Instructor	Location

2-4 8:00 - 9:00 Tom Cleveland Starr Elementary

Do you enjoy playing video games? Ever wonder when the first video game was developed or who created it? In this class you will learn the history of digital gaming and also have the options of playing the games. There will be strategy based games, puzzles, multiplayer and educational games.

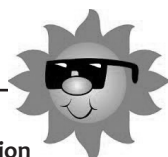

S1-M		Pokemon Academy	
Grade	Time	Instructor	Location

2-4 8:00 - 9:00 Tara Larson Starr Elementary

Calling all Pokemon Lovers! Do you have a love for the amazing world of Pokemon? This class will teach you what Pokemon is, the different types of Pokemon, the different regions in the Pokemon world, and all things related to Pokemon. Do you have a bunch of Pokemon cards at home? This class will also teach you what those cards are, what they mean and how you play the Pokemon card game.

Grades 2-4 - Starr Elementary

Summer Stretch 2024

S1-N Sign Language

Grade	Time	Instructor	Location
2-4	8:00 - 9:00	Angie Berg	Starr Elementary

Have you always wanted to learn sign language or have a friend that uses sign language to communicate? If so, this is the class for you. Join us as we learn sign language basics! We will learn letters, numbers, colors, and more!

S1-O Math Games

Grade	Time	Instructor	Location
2-4	8:00 - 9:00	Heather Zappetta	Starr Elementary

Do you want to get better at math and have a lot of fun too? In this class, you will learn many different games that will use your math skills! You will be having so much fun that you won't even know that you are improving your math skills at the same time. Gam, farkle and much more.

S1-P Art of Fishing

Grade	Time	Instructor	Location
2-4	8:00 - 9:00	Glenn Isnardi	Starr Elementary

Fish on! Students will learn about different styles of fishing (summer fishing, ice fishing), as well as basic techniques and fish identification. They'll also use their artistic skills to design and paint their own lures, and test them out at Mary Park. *Due to popular demand, we ask that only new students to The Art of Fishing enroll this year. Previous students will need to be moved out of the class.

S1-Q Creative Coloring

Grade	Time	Instructor	Location
2-4	8:00 - 9:00	Carmen Markgren	Starr Elementary

Do you ever notice those beautiful complex coloring books in the stores? What does it take to color those fun designs? Learn about coloring technique and color theory while you create sensational pictures!

Summer Stretch 2024

S1-R Once Upon a Fairytale

Grade	Time	Instructor	Location
-------	------	------------	----------

2-4 8:00 - 9:00 Karen Storie Starr Elementary

Are you ready to enter a world of enchanted forests, princes and princesses, castles, dragons, and so much more? We will investigate different versions of classic fairy tale stories such as The Three Little Pigs, Cinderella, The Gingerbread Man, and more! We will explore these stories through literature, movies, theater, arts and crafts, and even cooking! Rewrite your favorite fairy tale, or create your very own!

S1-S Science with Household Items

Grade	Time	Instructor	Location
-------	------	------------	----------

2-4 8:00 - 9:00 TBD Starr Elementary

Let’s explore the wonderful world of science and experiment using everyday household items. Learn how things glow, buzz, ooze and pop. Please bring empty pop and water bottles.

S1-T Yoga for Kids

Grade	Time	Instructor	Location
-------	------	------------	----------

2-4 8:00 - 9:00 Shelby Wolff Starr Elementary

Yoga is proven to help with mental clarity, self-control, patience, kindness, mindfulness, and overall focus! Each day you will learn fun active yoga poses that go along with a story or theme, complete projects such as calming bottles and mandalas, and end with relaxation poses.

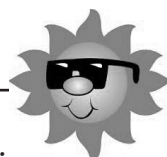

S1-U Tennis

Grade	Time	Instructor	Location
-------	------	------------	----------

2-4 8:00 - 9:00 Denise Devereux Starr Elementary

Have fun learning a great sport for a lifetime! We will learn all the different strokes for tennis while playing fun and exciting games! Bring your own racket or use one of ours. Please wear tennis shoes.

Summer Stretch 2024

S1-V Reading Success Grade 3 Review

Grade	Time	Instructor	Location
3	8:00 - 9:00	TBD	Starr Elementary

This summer review class will reinforce reading skills that have been introduced during the school year. Areas that will be addressed include vocabulary, decoding, comprehension, and fluency. (This course is designed for students needing extra support with reading.)

End of 8:00-9:00 a.m. Class List

S2-A Book Club and Art Projects

Grade	Time	Instructor	Location
2-4	9:05 - 10:05	Megan Stephenson	Starr Elementary

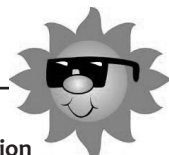

Love to read? Love to work on projects? This class will combine a fun environment (inside and out) where you can read and share great books you love, and discuss them with your friends. There will be a weekly art project to go with our theme!

S2-B Fitness & Fun

Grade	Time	Instructor	Location
2-4	9:05 - 10:05	Bailey Larson	Starr Elementary

Fitness & Fun! Let's get active this summer! Fitness & Fun will teach you the fundamentals of sports along with good sportsmanship skills! You will also learn the importance of warming up and stretching prior to completing fitness activities. Sports included in this course are baseball/softball, football, hockey, soccer, kickball, basketball and more!

Summer Stretch 2024

S2-C Puzzle-A-Day

Grade	Time	Instructor	Location
2-4	9:05 - 10:05	Sarah Wilhelm	Starr Elementary

Puzzles are brain food! Besides being fun, puzzles sharpen your math, reading, and spelling skills. What makes some puzzles more difficult than others? How many different ways can you solve puzzles? How many different kinds of puzzles are there? In this class you will be solving puzzles, creating puzzles, and using puzzles to enhance your problem solving and critical thinking skills.

S2-D How-to-Jewelry

Grade	Time	Instructor	Location
2-4	9:05 - 10:05	Angie Brown	Starr Elementary

In this class, we will create a variety of jewelry and make our own how-to book. The book will include step-by-step directions on how to make each piece of jewelry from class, so you will be able to re-create each piece in the future.

S2-E Squishy Clays & Sticky Doughs

Grade	Time	Instructor	Location
2-4	9:05 - 10:05	Michelle Givens	Starr Elementary

Calling all kids who like working with their hands and getting a little messy. We will be learning how to make a variety of our own air-dry clays and reusable doughs using ingredients that you can find right in your own kitchen. What will we do with all these squishy clays and sticky doughs? We will use some to create fun treasures and some to just squish between our fingers for sticky fun. If you like creating with your hands this is the class for you!

S2-F Play Ball!!!

Grade	Time	Instructor	Location
2-4	9:05 - 10:05	William Knutson	Starr Elementary

This class will introduce you to a variety of sports played with a ball. You will learn the basics of baseball, football, soccer, four square and much more. Focus will be on playing games safely, practicing good sportsmanship and having fun. Student should wear comfortable clothing and tennis shoes. Activities will take place outside.

Summer Stretch 2024

S2-G Cool Computer Math Games

Grade	Time	Instructor	Location
-------	------	------------	----------

2-4 9:05 - 10:05 Jamie Knutson Starr Elementary

Do you love playing computer games? Do you want to be an even better math student? Learning math is fun with the introduction of over 10 different websites to grow students’ logical thinking and math skills! Some games even let you play against some of your classmates, which just adds up to even more fun!

S2-H Kids that Cook (\$5 Supply Fee)

Grade	Time	Instructor	Location
-------	------	------------	----------

2-4 9:05 - 10:05 Nicole Durow Starr Elementary

Do you love to watch cooking shows on television? In this class we will learn how to follow child friendly recipes that do not require an oven. Our goal will be to enhance measuring, sequencing, and organizing skills. We will end the class with a cooking competition similar to “Little Big Shots” or “Star Kids”. ** Please register for S3-H if your child has a food allergy.

S2-J Art: Around the World

Grade	Time	Instructor	Location
-------	------	------------	----------

2-4 9:05 - 10:05 Elizabeth Stolte Starr Elementary

Do you want to travel the world? Do you love art? Then this is the class for you. Each day in class, we will learn about a different country. We will learn a little of their language, where they are located, and do an art project associated with this country.

S2-K Lego Engineering

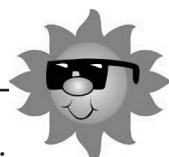

Grade	Time	Instructor	Location
-------	------	------------	----------

2-4 9:05 - 10:05 Tina Brunner Starr Elementary

Join us on the Starr campus to build elaborate objects, vehicles, & structures using LEGOS. Explore using math and science, while learning to collaborate and create without fear of mistakes. Students will grow and learn through exploration and imagination.

Grades 2-4 - Starr Elementary

Summer Stretch 2024

S2-L Digital Gaming

Grade	Time	Instructor	Location
-------	------	------------	----------

2-4	9:05 - 10:05	Tom Cleveland	Starr Elementary
-----	--------------	---------------	------------------

Do you enjoy playing video games? Ever wonder when the first video game was developed or who created it? In this class you will learn the history of digital gaming and also have the options of playing the games. There will be strategy based games, puzzles, multiplayer and educational games.

S2-M Pokemon Academy

Grade	Time	Instructor	Location
-------	------	------------	----------

-----	--------------	------------	------------------

Have you always wanted to learn some sign language or have a friend that uses sign language to communicate? If so, this is the class for you. Join us as we learn sign language basics! We will learn letters, numbers, colors, and more!

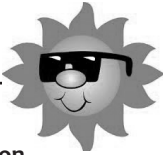

S2-O Music is Fun

Grade	Time	Instructor	Location
-------	------	------------	----------

2-4	9:05 - 10:05	Heather Zappetta	Starr Elementary
-----	--------------	------------------	------------------

Have a blast singing, dancing and jamming along with your school friends. We will be playing instruments, learning songs and so much more. No matter what type of music you like, join us for some music fun.

Summer Stretch 2024

Grades 2-4 - Starr Elementary

S2-P Art of Fishing

Grade	Time	Instructor	Location
-------	------	------------	----------

2-4 9:05 - 10:05 Glenn Isnardi Starr Elementary

Fish on! Students will learn about different styles of fishing (summer fishing, ice fishing), as well as basic techniques and fish identification. They'll also use their artistic skills to design and paint their own lures, and test them out at Mary Park. *Due to popular demand, we ask that only new students to The Art of Fishing enroll this year. Previous students will need to be moved out of the class.

S2-Q Counted Cross Stitch for beginners

Grade	Time	Instructor	Location
-------	------	------------	----------

3-4 9:05 - 10:05 Carmen Markgren Starr Elementary

In this class you will be using floss, not the kind from your dentist, to create a design on fabric. You will learn the basic cross stitch and to "count" the number of holes per inch to make your design.

S2-R Crazy About Pets

Grade	Time	Instructor	Location
-------	------	------------	----------

2-4 9:05 - 10:05 Karen Storie Starr Elementary

Do you love animals? This exciting new class looks at the various pets people have, facts about those pets, and how to care for them. There might even be special visitors!

S2-S Science with Household Items

Grade	Time	Instructor	Location
-------	------	------------	----------

2-4 9:05 - 10:05 TBD Starr Elementary

Let's explore the wonderful world of science and experiment using everyday household items. Learn how things glow, buzz, ooze and pop. Please bring empty pop and water bottles.

Summer Stretch 2024

S2-T Nature Crafting			
Grade	Time	Instructor	Location
2-4	9:05 - 10:05	Shelby Wolff	Starr Elementary
<p>Explore the outdoors on class walks and learn about the benefits of re-energizing ourselves and reducing stress through connecting with nature. While out and about, collect amazing treasures – sticks, stones, leaves; anything “natural” and bring them back to class. Be prepared to feel inspired to create something beautiful and unique as we bring the outdoors in. You’ll leave class feeling refreshed and with a few art projects to show off at home!</p>			

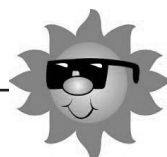

S2-U Tennis			
Grade	Time	Instructor	Location
2-4	9:05 - 10:05	Denise Devereux	Starr Elementary
<p>Have fun learning a great sport for a lifetime! We will learn all the different strokes for tennis while playing fun and exciting games! Bring your own racket or use one of ours. Please wear tennis shoes.</p>			

S2-V Math Mania (Grade 3-4)			
Grade	Time	Instructor	Location
3-4	9:05 - 10:05	TBD	Starr Elementary
<p>Do you like math and want to refresh your skills over the summer? Join us in this class as we review math skills and challenge each other to learn more about the magnificent world of math! We will play math games, simulations, and do fun activities.</p>			

Grades 2-4 - Starr Elementary

End of 9:05 - 10:05 a.m. Class List

Summer Stretch 2024

S3-A Garden Club

Grade	Time	Instructor	Location
2-4	10:20 - 11:20	Megan Stephenson	Starr Elementary

If your child loves flowers, pollinators, and fresh veggies, and isn't afraid of getting a little bit of dirt on their hands, this is the class for them! There will be many hands on activities in this class.

S3-B Fitness & Fun

Grade	Time	Instructor	Location
2-4	10:20 - 11:20	Bailey Larson	Starr Elementary

Fitness & Fun! Let's get active this summer! Fitness & Fun will teach you the fundamentals of sports along with good sportsmanship skills! You will also learn the importance of warming up and stretching prior to completing fitness activities. Sports included in this course are baseball/softball, football, hockey, soccer, kickball, basketball and more!

S3-C Math Mania (grade 2)

Grade	Time	Instructor	Location
2	10:20 - 11:20	Sarah Wilhelm	Starr Elementary

Do you like math and want to refresh your skills over the summer? Join us in this class as we review math skills and challenge each other to learn more about the magnificent world of math! We will play math games, simulations, and do fun activities.

S3-D How-to-Jewelry

Grade	Time	Instructor	Location
2-4	10:20 - 11:20	Angie Brown	Starr Elementary

In this class, we will create a variety of jewelry and make our own how-to book. The book will include step-by-step directions on how to make each piece of jewelry from class, so you will be able to re-create each piece in the future.

Summer Stretch 2024

S3-E Squishy Clays & Sticky Doughs

Grade	Time	Instructor	Location
--------------	-------------	-------------------	-----------------

2-4	10:20 - 11:20	Michelle Givens	Starr Elementary
-----	---------------	-----------------	------------------

Calling all kids who like working with their hands and getting a little messy. We will be learning how to make a variety of our own air-dry clays and reusable doughs using ingredients that you can find right in your own kitchen. What will we do with all these squishy clays and sticky doughs? We will use some to create fun treasures and some to just squish between our fingers for sticky fun. If you like creating with your hands this is the class for you!

S3-F Play Ball!!!

Grade	Time	Instructor	Location
--------------	-------------	-------------------	-----------------

2-4	10:20 - 11:20	William Knutson	Starr Elementary
-----	---------------	-----------------	------------------

This class will introduce you to a variety of sports played with a ball. You will learn the basics of baseball, football, soccer, four square and much more. Focus will be on playing games safely, practicing good sportsmanship and having fun. Student should wear comfortable clothing and tennis shoes. Activities will take place outside.

S3-G Cool Computer Math Games

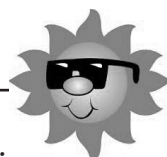

Grade	Time	Instructor	Location
--------------	-------------	-------------------	-----------------

2-4	10:20 - 11:20	Jamie Knutson	Starr Elementary
-----	---------------	---------------	------------------

Do you love playing computer games? Do you want to be an even better math student? Learning math is fun with the introduction of over 10 different websites to grow students' logical thinking and math skills! Some games even let you play against some of your classmates, which just adds up to even more fun!

Grades 2-4 - Starr Elementary

Summer Stretch 2024

S3-H Kids that Cook (\$5 Supply Fee)

Grade	Time	Instructor	Location
-------	------	------------	----------

2-4	10:20 - 11:20	Nicole Durow	Starr Elementary
-----	---------------	--------------	------------------

Do you love to watch cooking shows on television? In this class we will learn how to follow child friendly recipes that do not require an oven. Our goal will be to enhance measuring, sequencing, and organizing skills. We will end the class with a cooking competition similar to “Little Big Shots” or “Star Kids”. ** Please let us know if your child has any food allergies.

S3-J Fun with Harry Potter

Grade	Time	Instructor	Location
-------	------	------------	----------

2-4	10:20 - 11:20	Elizabeth Stolte	Starr Elementary
-----	---------------	------------------	------------------

Greetings witches, wizards, and muggles! Join our Harry Potter class to be sorted into your house, play quidditch and compete for the house cup. We will also make our own wands, marauders’ map, spell books, and potions. *Please note this class contains spoilers up to the third book.*

S3-K Yoga for Kids

Grade	Time	Instructor	Location
-------	------	------------	----------

2-4	10:20 - 11:20	Tina Brunner	Starr Elementary
-----	---------------	--------------	------------------

Yoga is proven to help with mental clarity, self-control, patience, kindness, mindfulness, and overall focus! Each day you will learn fun active yoga poses that go along with a story or theme, complete projects such as calming bottles and mandalas, and end with relaxation poses.

S3-L Digital Gaming

Grade	Time	Instructor	Location
-------	------	------------	----------

2-4	10:20 - 11:20	Tom Cleveland	Starr Elementary
-----	---------------	---------------	------------------

Do you enjoy playing video games? Ever wonder when the first video game was developed or who created it? In this class you will learn the history of digital gaming and also have the options of playing the games. There will be strategy based games, puzzles, multiplayer and educational games.

Summer Stretch 2024

S3-M	Pokemon Academy		
Grade	Time	Instructor	Location

2-4 10:20 - 11:20 Tara Larson Starr Elementary

Calling all Pokemon Lovers! Do you have a love for the amazing world of Pokemon? This class will teach you what Pokemon is, the different types of Pokemon, the different regions in the Pokemon world, and all things related to Pokemon. Do you have a bunch of Pokemon cards at home? This class will also teach you what those cards are, what they mean and how you play the Pokemon card game.

S3-N	Sign Language		
Grade	Time	Instructor	Location

2-4 10:20 - 11:20 Angie Berg Starr Elementary

Have you always wanted to learn some sign language or have a friend that uses sign language to communicate? If so, this is the class for you! Join us as we learn sign language basics! We will learn letters, numbers, colors, and more!

S3-O	Bing Bang Boom!		
Grade	Time	Instructor	Location

2-4 10:20 - 11:20 Heather Zappetta Starr Elementary

Bring the band alive by making your own musical instruments. During this high energy class, students will use their creativity and everyday materials to make woodwind, brass, and percussion instruments. Plan to have fun as you use your imagination to explore the world of music.

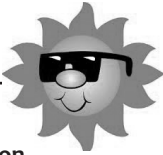

S3-P	Art of Fishing		
Grade	Time	Instructor	Location

2-4 10:20 - 11:20 Glenn Isnardi Starr Elementary

Fish on! Students will learn about different styles of fishing (summer fishing, ice fishing), as well as basic techniques and fish identification. They'll also use their artistic skills to design and paint their own lures, and test them out at Mary Park. *Due to popular demand, we ask that only new students to The Art of Fishing enroll this year. Previous students will need to be moved out of the class.

Grades 2-4 - Starr Elementary

Summer Stretch 2024

S3-Q Reading Success (Grade 2)

Grade	Time	Instructor	Location
2	10:20 - 11:20	Carmen Markgren	Starr Elementary

This summer review class will reinforce reading skills that have been introduced during the school year. Areas that will be addressed include vocabulary, decoding, comprehension, and fluency. (This course is designed for students needing extra support with reading.)

S3-R Crazy About Pets

Grade	Time	Instructor	Location
2-4	10:20 - 11:20	Karen Storie	Starr Elementary

Do you love animals? This exciting new class looks at the various pets people have, facts about those pets, and how to care for them. There might even be special visitors!

S3-S Playground Fun

Grade	Time	Instructor	Location
2-4	10:20 - 11:20	TBD	Starr Elementary

Get ready to be active! Each day will be an adventure. Kids will explore different physical activities that test their coordination, improve their balance, increase their endurance and show them fitness is fun! Class will be held both indoors and outdoors.

S3-T Nature Crafting

Grade	Time	Instructor	Location
2-4	10:20 - 11:20	Shelby Wolff	Starr Elementary

Explore the outdoors on class walks and learn about the benefits of re-energizing ourselves and reducing stress through connecting with nature. While out and about, collect amazing treasures – sticks, stones, leaves; anything “natural” and bring them back to class. Be prepared to feel inspired to create something beautiful and unique as we bring the outdoors in. You’ll leave class feeling refreshed and with a few art projects to show off at home!

Grades 2-4 - Starr Elementary

Summer Stretch 2024

S3-U Tennis

Grade	Time	Instructor	Location
-------	------	------------	----------

2-4 10:20 - 11:20 Denise Devereux Starr Elementary

Have fun learning a great sport for a lifetime! We will learn all the different strokes for tennis while playing fun and exciting games! Bring your own racket or use one of ours. Please wear tennis shoes.

S3-V Games Around the World

Grade	Time	Instructor	Location
-------	------	------------	----------

2-4 10:20 - 11:20 TBD Starr Elementary

Would you like to learn some awesome games that are played around the world? Each day we will be laughing and learning about a new game or activity played in a different part of the world. Grab your passport and come learn about how kids in other countries like to play and have fun!

S3-W Speech/Language Fun! (Teacher recommendation only)

Grade	Time	Instructor	Location
-------	------	------------	----------

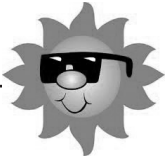

2-4 10:20-11:20 Brooke John Starr Elementary

Come join us for some fun speech and language activities to enrich your speech and language skills! We will be working on articulation, phonemic awareness, letter/sound correspondence, language concepts (spatial, temporal, qualitative, quantitative), expanding utterances and learning new vocabulary. Your child will be working with a speech-language pathologist to work towards maintaining their IEP goals during the summer months. ** Only Register for this class if your child's teacher has recommended.

Grades 2-4 - Starr Elementary

Summer Stretch 2024

MS1-A Welcome to Middle School

Grade	Time	Instructor	Location
-------	------	------------	----------

5	7:55 - 9:00	NRMS Staff	NRMS
---	-------------	------------	------

Excited about Middle School? Maybe a little nervous? Like to have fun? Welcome to Middle School is the class for you! This fun and energetic class will build excitement to help with your transition into 6th grade. You'll discover what strategies it takes to be academically successful in middle school. Learn about yourself, build relationships with other students and teachers, and get to know the layout of the middle school through a scavenger hunt.

MS1-B Calling All Muggles

Grade	Time	Instructor	Location
-------	------	------------	----------

5 - 7	7:55 - 9:00	Tyler Benning	NRMS
-------	-------------	---------------	------

This class is designed for all those non-magical folk who would like to take a deeper look into the wizardry world and story of Harry Potter. We'll be exploring this world through discussions, hands-on activities, and other engaging endeavors. If you've ever wanted to discuss this classic tale with others or had questions that were never answered, this is the class for you! Everyone is welcome here just like they are at Hogwarts.

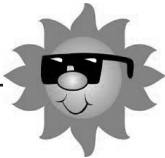

MS1-C Pinterest Crafts #NailedIt! (\$5 Supply Fee)

Grade	Time	Instructor	Location
-------	------	------------	----------

5 - 7	7:55 - 9:00	Meghan Stowers	NRMS
-------	-------------	----------------	------

#nailedit! If you've ever looked at Pinterest and got inspired, this class is for you! Students will dig into their creativity with various projects straight from Pinterest. Projects include room decorations, wearable accessories, food, challenges and more! *Please let us know if your child has ANY food allergies. (\$5 supply fee)

Summer Stretch 2024

MS1-D Outdoor Games			
Grade	Time	Instructor	Location

5 - 7	7:55 - 9:00	Abbey Beyer	NRMS
-------	-------------	-------------	------

Ready to get outdoors, up, and moving? In this class, we will be learning a variety of different outdoor games. Some of the games will include: kick the can, capture the flag, gaga, soccer, flag football, kickball, badminton, foursquare, and ghost in the graveyard. From favorite classics to new and outrageous, we will have fun and build community as we leave our technology behind and spend our time learning and playing outdoor games.

MS1-E Myths and Legends, Oh My!			
Grade	Time	Instructor	Location

5 - 7	7:55 - 9:00	Scarlett Bahma	NRMS
-------	-------------	----------------	------

Come take a trip back to Ancient Greece. We will be reading and watching Greek mythology inspired stories. Students will look at stories such as Percy Jackson, Hercules and original Greek myths to better understand the stories and the way the stories can still teach us the lessons they were trying to teach thousands of years ago.

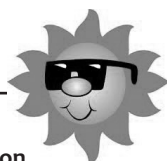

MS1-F Tiger Fitness			
Grade	Time	Instructor	Location

5 - 7	7:55 - 9:00	Gabe Henk	NRMS
-------	-------------	-----------	------

Interested in training for strength and agility? This is the perfect beginners course that focuses on using student's own body weight and/or light weights to increase their physical capabilities. This is a great class to enhance summer sports activities.

Grades 5-7 - Middle School

Summer Stretch 2024

MS1-G Mental Side of Math

Grade	Time	Instructor	Location
5 - 7	7:55 - 9:00	Troy Kent	NRMS

Do you like exercising your brain, figuring things out, and solving puzzles? Math and logic problems might seem intimidating to some, but in this class you will find them to be fun and entertaining. Take part in a variety of activities designed to help you dive deeper into mathematical topics. This class is open to all students.

MS1-H Create A Shutterfly Photo Book

Grade	Time	Instructor	Location
5 - 7	7:55 - 9:00	Madison Mueller	NRMS

Create your very own photobook using Shutterfly. You will learn how to set a theme for your book, upload your photos from your devices and create stunning pages for your book. Come join us as we get creative! Students will get to actually print their photobooks using Shutterfly.

MS1-J Games, Games & More Games

Grade	Time	Instructor	Location
5 - 7	7:55 - 9:00	Ashlynn Giossi	NRMS

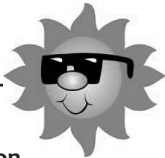

In this class, we will develop our critical thinking, literacy skills, and creative thought through various types of games. Games will vary from individual to whole class activities such as the latest and classic board games, card games, and many more! Students will have an opportunity to play games they love and try new ones with friends.

MS1-K Volleyball - Beginners

Grade	Time	Instructor	Location
5 - 7	7:55 - 9:00	Gina Peck	NRMS

Bump, pass, SPIKE! In this class for girls and boys, we'll use a variety of fun games to learn volleyball techniques that will include passing, setting, hitting, and serving. We will also cover tactical skills of basic volleyball, offensive and defensive plays, as well as the rules and scoring. Get ready to be active, have fun, and be a part of a team! No previous experience necessary.

Summer Stretch 2024

MS1-L	Be You, Yoga		
Grade	Time	Instructor	Location

5 - 7 7:55 - 9:00 Jordan Hughes NRMS

In this class we will learn about and practice yoga. We will also do fun activities, games, art and some journaling to help you to find and appreciate what it's like to "Be You"! This class will be tailored to you by you. All are welcome!!!

MS1-M	Violin / Viola		
Grade	Time	Instructor	Location

5 7:55 - 9:00 Hyrum Barker NRMS

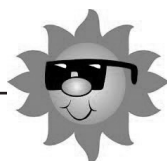

Attention all 5th graders! In this class, students who plan to play the violin/viola next year in 6th grade orchestra will learn how to care for and maintain their equipment, read music, and much more! Please contact Mr. Barker at the middle school (715-243-1666) if you are unsure of what instrument you have been assigned, need information on renting an instrument, or have questions.

End of 7:55-9:00 a.m. Class List

Grades 5-7 - Middle School

Summer Stretch 2024

MS2-A Welcome to Middle School

Grade	Time	Instructor	Location
5	9:05 - 10:10	NRMS Staff	NRMS

Excited about Middle School? Maybe a little nervous? Like to have fun? Welcome to Middle School is the class for you! This fun and energetic class will build excitement to help with your transition into 6th grade. You'll discover what strategies it takes to be academically successful in middle school. Learn about yourself, build relationships with other students and teachers, and get to know the layout of the middle school through a scavenger hunt.

MS2-B Ultimate Frisbee

Grade	Time	Instructor	Location
5 - 7	9:05 - 10:10	Tyler Benning	NRMS

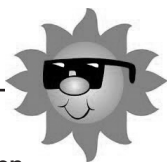

This course will focus on the exciting game of Ultimate Frisbee. Students will learn the proper terminology and rules of Ultimate Frisbee along with the fundamentals of throwing and catching. Students will also get the hands-on experience of using teamwork to play the game. This course is designed for students who would like to be active while learning a fun and exciting game that they can be successful at regardless of experience and skill level.

Summer Stretch 2024

Setting up your Account Profile

****REMINDER:** Summer Stretch & Jumpstart are FREE programs for students in the School District of New Richmond and students that are open enrolled.

This sheet will walk you through the process of setting up your eleyo Account Profile. We encourage you to add all members of your household and add emergency contacts for your children. **If you have previously created an Eleyo profile to register for either Tiger Pack or Summer Stretch/Jumpstart, please use the same login credentials.**

Create Your Account Profile

1. Go to: <https://newrichmond.ce.eleyo.com>

2. Select  and then enter your email address in the box provided.
If your email address is recognized, enter your password and click "Next".
If you forgot your password, click the Forgot Password? Link. You will receive an email to reset your password and log in.
If your email address is not recognized you'll need to create an account. Click the Create One Now link and move on to #3 below.

3. Complete the Register a New Account Form and select .

Add Family Members To Your Account Profile

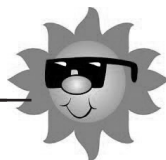

1. Once you're logged in to Eleyo, select your name (top right corner of the screen) and select **Your Account/Relationships**.
2. Use the  button to add family members. Please add all family members in anticipation of future registrations within the Eleyo system.
3. Fill out the Add a New Person page and select the  button at the bottom of the page when complete. Follow steps 3 – 4 to add additional family members. **Only add those family members not already listed on your account.**

Congratulations! You have completed the Account Profile set-up process and are ready to register for Summer Stretch/Jumpstart or Tiger Pack.

New Account Profile

Registration for Summer Stretch ends Monday, April 8th.

Summer Tiger Pack

Spend your summer with Tiger Pack!

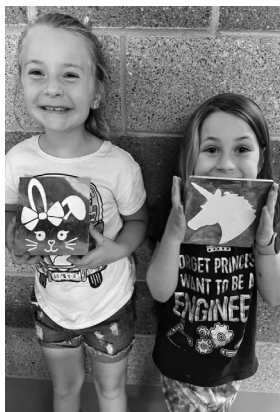

Tiger Pack runs from
June 6th – August 16th at
Hillside Elementary and is open to
students currently enrolled in
PreK-5th grade.

Registration includes:

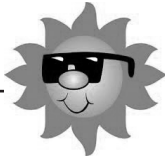

*Field trips, crafts, activities with friends,
nutritious afternoon snacks—and more!*

**For more information, please visit our website:
<https://www.newrichmond.k12.wi.us/families/summer-tiger-pack.cfm>**

Contact Rachel Twedten with questions.
715-781-8721 rtwedten@newrichmond.k12.wi.us

Complete ALL pages 60-65.

Summer Stretch 2024

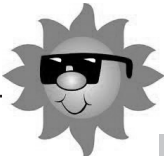

Health/Medical Concerns

Please indicate any diagnosed medical condition(s), including but not limited to, bee sting or food allergy, diabetes, and/or epilepsy that Summer Stretch School staff should be aware of for your child's safety. For questions or concerns, call Ryan Vang, the District School Nurse, at 715-243-7424 prior to the start of Summer Stretch. If medication will need to be administered while your child is attending Summer Stretch, please obtain medication forms from a school health office.

Academic & Social Concerns

Please make note of any possible learning disabilities, special talents, or social concerns that your child's teacher(s) should be made aware of during Summer Stretch.

Complete ALL pages 60-65

Emergency Information Form

Complete this form to ensure your child will be registered.

Daytime Emergency Contacts during Summer Stretch

It is VERY important that we have several different names & numbers to try. Please consider neighbors, friends that work in town and relatives that live near New Richmond. This is our only source of information to connect your child with an adult if they become ill, are unsure of plans, miss a bus or ride, or if there are other concerns.

Please list guardians first and include cell numbers. To avoid errors – please write neatly.

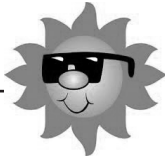

<u>Name (First & Last Name)</u>	<u>Relationship</u>	<u>Phone Number(s)</u>

Custody Issues – Without legal documents on file, we are unable to honor your requests regarding custody privileges.

Please provide us copies of any court orders that we need to know about regarding custody. Although these documents may be on file during the school year, we also need a copy for the Summer Stretch files. Thank you.

Summer Stretch 2024

Summer Fun AND Summer Learning!

Summertime is a great time to be a kid! The season is filled with sun, water, and outdoor fun. As it should be! But for elementary and middle school students, it can also be filled with summer learning – “Summer Stretch 2024.”

Research shows that all students experience learning loss over the summer when they do not engage in educational activities, and Summer Stretch, which takes place in June, provides a great opportunity to mix summer fun with learning. Each year, new classes are added to allow students to choose from an assortment of classes that peak their interests, and this year is no different. This year, a wide variety of new classes have been added to our Stretch offering. There is a great mix of enrichment and review classes. Make sure to talk to your child’s teacher for specific recommendations. Summer Stretch acknowledges the unique role that summer plays in American culture – a season for outdoor fun mixed with learning!

Reading is one of the most important things a child can do in the summer to keep his/her skills sharp for the next school year. Adults can help by making sure children have lots of access to books and by engaging with what their children are reading. Read! Everyday!

Learning is a treasure that will follow its owner everywhere.
~ Chinese Proverb

JUMPSTART

HELPING STUDENTS GET A "JUMPSTART" ON THE NEW SCHOOL YEAR

Mondays - Thursdays
July 8th – August 1st, 2024
Grades K-8 (per fall 2024)

Summer Jumpstart is a reading and math readiness program that's focused on eliminating summer learning loss. Jumpstart provides academic support for children whose learning is behind grade level, or in danger of falling behind grade level. Registration is open to all district students; however, if classes fill, priority is given to students with the greatest academic need.

Information about Jumpstart will be available online (and paper forms) on Monday, May 20, 2024.

Register online at www.newrichmond.k12.wi.us/district/summer-stretch-jump-start.cfm

Registration opens May 20th until June 3rd, 2024.
