

Family Guide | Attendance at a Glance

High School classes start at 7:35 a.m. Students are expected to retrieve their Chromebook from their 8th period classroom before their first class. Students arriving late, but within the first 10 minutes of class are considered “tardy”. Students arriving to class after the first 10 minutes are considered “absent”.

Running late?

Students arriving late to the building must stop in the Front Office to sign in and receive a pass for class.

Athletics/Activities

Only students with medically-exempt absences may participate in practices, contests or sporting events scheduled for that day. Contact the Activities Director with questions or concerns.

10

Absences Per Year

Families have 10 total days per year they can use however they'd like; after 10 excused-by-parent school days, students will be considered unexcused without doctor verification or other required documentation regarding each absence.

[3 Days]

Did you forget to call in your child's absence?

We have three days to update unexcused absence codes. Please call or send a medical provider's note to school as soon as possible.

How do appointments work?

Many families send their children to school with a note on the day of their appointment. Students who stop in to the Front Office with their note are issued a pass to leave class at the appropriate time. Before leaving school for the appointment, students stop back in the office to sign out for the appointment. If/when the student returns to school, they'll report to the Front Office to sign in and receive a pass to their classroom.

excused vs. unexcused

Any absences that are due to medical appointments (dentist, doctor, chiropractor, orthodontist, etc) can be excused *and exempt from the 10-day total* with a note from that medical provider. Students should bring their notes to the Front Office.
