Report Card Purpose

- Publicly report how our schools and districts are performing
- Provides data to schools on specific areas of strength and areas in need of improvement

“The overall goal of Wisconsin’s accountability system is to help identify areas of strength to build upon and deepen, as well as to pinpoint areas needing improvement so that all students graduate from high school ready for their next step.”

State Report Card Overview & Accountability Ratings

<i>Accountability Rating and Category</i>	<i>Accountability Score Rating</i>	
	<i>Minimum</i>	<i>Maximum</i>
Significantly Exceeds Expectations ★★★★★	83	100
Exceeds Expectations ★★★★☆	70	82.9
Meets Expectations ★★★☆☆	58	69.9
Meets Few Expectations ★★☆☆☆	48	57.9
Fails to Meet Expectations ★☆☆☆☆	0	47.9

OVERVIEW

District Details

Grades : K4-12
Enrollment : 3,517
Percent open enrollment : 5.2%

1

Our CORE PURPOSE is to inspire every student to learn to their potential and is supported by our CORE VALUES of excellence, respect, integrity, passion, diversity and collaboration. Achieving our goals will take a commitment to continuous learning by our students, staff, parents, and community. When our children succeed we all succeed due to the contributions young minds make in our society.
The statement above is provided by the district. It is not an evaluation by the Wisconsin DPI.

Priority Area Score

New Richmond
District Report Card

Report Card, 2021-22
Public report

ACHIEVEMENT

This priority area summarizes how this district's students performed on state assessments using a points-based proficiency system that gives partial credit for Basic test performance and extra credit for Advanced performance. The score is a multi-year average of English language arts and mathematics subscores.

Priority Area Score

English Language Arts Score: 70.6
Mathematics Score: 76.2

■ This district's score was the same or higher than 87.3% of districts in the state.

District Overview

2. Growth

Prior Year 2020-21

Priority Area Score

New Richmond
District Report Card

Report Card, 2021-22
Public report

GROWTH

This priority area measures year-to-year student progress on statewide tests. It uses a value-added model that seeks to control for circumstances beyond the influence of educators. A high value-added score means that on average students in the district are progressing more quickly than other, similar students. Growth is scored from 0 to 100 to match the other priority areas and is a conversion from the roughly 0 to 6 value-added score.

Priority Area Score

English Language Arts Score: 60.3
Mathematics Score: 62.2

■ This district's score was the same or higher than 28.0% of districts in the state.

District Overview

3. Target Group Outcomes

District Report Card

Report Card, 2021-22
Public report

TARGET GROUP OUTCOMES

This priority area examines outcomes for students with the lowest test scores — the Target Group. It is designed to promote equity by helping districts focus on learners who need the most support while also improving outcomes for all students. The priority area score combines component scores for achievement, growth, chronic absenteeism, and attendance or graduation rate. Data are not displayed when target groups have fewer than 20 students.

Priority Area Score

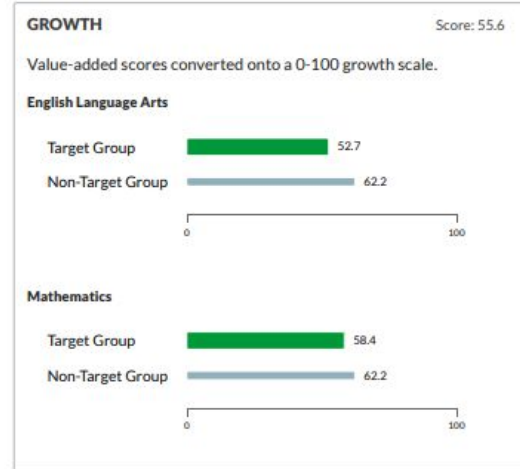

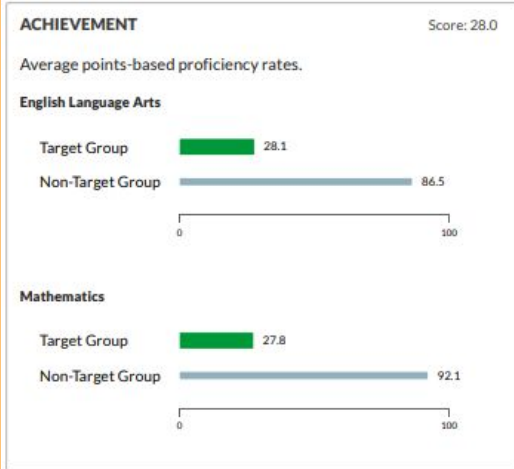

■ This district's score was the same or higher than 21.7% of districts in the state.

Target Group Considerations

Component Scores

District report card target group comprised of students from each school target group

“Mini-report card” style

- 20% = Achievement
- 50% = Growth
- 15% = Chronic Absenteeism
- 15% = Graduation or Attendance
- 100%

District Overview

4. On Track To Graduation

- 3 components:**
1. Chronic absenteeism
 2. Graduation rate (HS) OR Attendance rate
 3. 3rd grade ELA achievement OR 8th grade math achievement

SCHOOL DISTRICT OF NEW RICHMOND DISTRICT PRIORITIES 2022-2023		
TOGETHER WE ACHIEVE, LEARN, AND GROW New Richmond Pillars for Success		
Academics	Behavior	Culture / Climate
Goal: To increase the learning of <u>ALL</u> students within the School District of New Richmond by closing the opportunity gap.	Goal: To understand and be able to successfully respond to the social, emotional, and academic needs of <u>ALL</u> students.	Goal: Providing systems, policies, and practices that create a positive culture/climate that supports the academic, social, emotional, and health needs of <u>ALL</u> students.
PLCs: The PLC process will be seen as foundational and will be used at the center of our practice to address the academic needs of our students, to reframe/reshape behaviors, and in the end will positively impact the culture and climate of our schools.		
	PBIS: Staff will gain an understanding of PBIS (why behavior occurs, the importance of teaching expectations, and how data can be used to identify target behaviors and increase school climate). A universal system of Positive Behavior Intervention and Support (PBIS) will be created and utilized to help guide and shape student behavior while creating and reinforcing a positive school and district culture.	
Strategies: Identify Essential Learning Standards, create a scope and sequence and have clearly identified learning targets for all tested/assessed areas by the end of the 2022-2023 school year. Provide staff with professional development to best meet student needs. Utilize coaching support to increase the effectiveness of our research based instruction and interventions.	Strategies: Create a system-wide process that utilizes data to identify target areas for growth and positive reinforcement of student and/or adult behaviors. Create and provide support(s) (SEL, restorative practices, trauma informed practices, culturally responsive teaching, PBIS) for students and (targeted professional development) staff to maximize classroom learning for EVERY student. Staff will be taught to know the difference between behavior modification and behavior assessment to understand and identify the lagging skills and intervene and support appropriately.	Strategies: Every student is acknowledged in hallways/schools by all staff. Clear definitions are provided to staff for managing behaviors: classroom, building, and office referrals. Students feel connected to staff throughout the district due to the authentic relationships built and are involved members in the school, leading to a gained sense of pride in the New Richmond Community. Students will be equipped with the social-emotional skills, resources, and supports that they need to be successful in the global community.

2022-2023 SDNR Elementary Highlights

Focus for this school year is **GROWTH** for all students.

PLC Institute -
Over 30 staff
growing &
learning
together

PBIS -
UNIVERSAL
Teaching and
Reteaching of
Expectations

All three
buildings showed
growth in ELA
for state
testing.

- This has been a focus area with recent declines in scores in this area.
- Classroom interventions and WIN dedicated to improvement.

Building
Goal/Plan

Growing
ALL
Students

2022-2023 SDNR High School Highlights

Continuing to strengthen our PLC Process

- Additional staff trained through the PLC Institute
- Focusing time during each PLD on establishing our “guaranteed and viable” curriculum

Administering the Practice ACT to get valuable, timely feedback on student strengths and areas to strengthen

- Student feedback about the Practice ACT
- English team collaborating and scoring ACT essays
- Detailed data from results used for targeting classroom instruction and Tiger Time support

Report Card Training highlighting systemic changes we can make in our attendance and HSED processes

Schoolwide focus on students who perform in our bottom quartile and on growth for all (EEP goal for teachers)

2022-2023 SDNR Pride

- ★ Collaboration
- ★ AP courses offered at the High School - 10 different subjects
(Biology, Computer Science, Computer Science Principles, Language and Composition, Literature and Composition, Macroeconomics, Microeconomics, Modern World History, Physics, US History)
- ★ UWRF Dual Credit - Chemistry, Calculus, Psychology and Statistics
- ★ Large Percentage of Students in Activities
- ★ High Percent of kids Proficient - 87 Percent of schools in Wisc
- ★ Parent and Community Involvement
- ★ Summer Stretch/Jumpstart 2022, Grades K-8, 1399 Participation
- ★ Veteran's Day celebration at MS back again
- ★ SOAR center and strong community relationships
- ★ School Nutrition department's very own hydroponic gardening
