Check all that apply:

- No fluid milk (without substitution)
- Substitute Ripple® Milk – Vanilla (Dairy-Free, Soy-Free)
- Substitute Ripple® Milk – Chocolate (Dairy-Free, Soy-Free)
- Substitute Ripple® Milk AND omit dairy foods from menu
**requires “special dietary request” form signed by child’s physician or licensed medical practitioner*

Parent Signature: _____

Date: _____

School Year 2022-23 Update:

Due to the increasing number of milk substitution requests, New Richmond School Nutrition will only be offering Ripple® Milk as the substitute. Lactose-free milk and soy milk will no longer be available. Ripple® Milk is a plant-based milk formulated with pea protein and contains levels of protein, calcium, and vitamin D to match nutritional value of dairy milk. Ripple® Milk is free from dairy, lactose, soy, and nuts.

***Return this form to the District Office or High School.
