November 12, 2020

Dear NRMS Parents and Students,

As Mr. Olson outlined in his email on November 10, 2020, NRMS will be moving to a Remote Learning model starting on **Tuesday, November 17, 2020 (Day 2)** with the “Remote” school day starting at 9:00 am and ending at 1:30 pm. Please see the schedule below.

Our expectations remain the same as we take a break from the “Face to Face” learning model. Students are expected to be in “attendance” each day and attend each of their scheduled classes daily (Monday - Friday per school calendar) in **real time** as outlined in the schedule below. Attendance will be taken and we will be calling if a student does not zoom in to their classes.

Parents, please call **715-243-1616** if your student is ill or will not be in attendance to zoom into classes. AKA, they will not be “in school” today. This also applies for planned absences.

Your student should know how to access all of the information that they need through Google Classroom as we have been preparing and practicing since school began. Google Classroom, school email, Zoom, Google Meet, and Skyward Gradebook will be used by all teachers as the main platforms for communication, assignments, remote learning, and grade reporting. If you do not have access to the internet or need paper copies, please contact your child’s homeroom teacher or specific content teacher to set up a plan.

Technology Help - If you are in need of technology help or have general questions, this link will assist you with these issues. **SDNR Technology Support/Help**

Teacher Support/Homework Help Times
There are times in the morning and afternoon where teachers will have “Office Hours-Homework Help”.

- Students meet online with teachers for support 1:1 or in small groups.
- Students work on assignments, group work, projects, etc.
- Students can set up times with teachers to get support with specific problems/subjects.

Please see your teacher’s webpage or house webpage for more specific information.

All standard attendance, tardy, grading, and late work practices and policies will be followed. State/local attendance and truancy policies remain in effect.

Nutrition Department

6-12 STUDENTS
In response to the learning model shift for students grades 6-12 of New Richmond School District, meals will be available through curbside pickup. These meals are available to all 6-12 students, and any K-12 student who is temporarily quarantined or virtually enrolled.

Each student will receive a meal bag that includes heat-and-eat breakfasts and lunches for the week.

These meals are 100% free for all students.

Choosing these meals is a win-win for students and staff. While students learn from home, our School Nutrition team is glad to continue preparing nutritious meals for them.

Sign-ups will be communicated weekly. The following sign-ups are available now:

Week 1 Sign-Up
Friday, November 13 from 9:00 am – 1:00 pm

Week 2 Sign-Up
Tuesday, November 17 from 3:00 pm – 5:00 pm
[OR] Wednesday, November 18 from 11:00 am – 1:00 pm

Thank you for helping us serve the students of New Richmond School District! Please contact School Nutrition with any questions at 715-243-1714 or kate.watkins@newrichmond.k12.wi.us.

Please let us know if you have questions or concerns.

Stay safe and take care,

Doug Hatch
NRMS Principal
