

# TOGETHER WE ACHIEVE

School District of New Richmond Pillars for Success

## NEW RICHMOND TIGERS

Core Values: We hold high expectations for every student and base every decision on what is best for our students. This philosophy is centered around the core values of excellence, respect, integrity, learning, passion, diversity, and collaboration.

### CORE PURPOSE

Inspire every student to learn to his or her potential

#### PARENTS & COMMUNITY

Parents and community are encouraged to actively engage and collaborate in our schools

#### INNOVATIVE INSTRUCTION

High standards, rigorous curriculum and powerful instruction: we must go beyond the basics to ensure that all students become critical-thinkers, effective communicators and responsible global citizens

#### FACILITIES

To provide safe facilities and environments that meet the educational needs of students and staff

#### STAFF

Collaborate effectively and participate in shared leadership to enhance professional practice and student learning

#### STUDENTS

Inspire every student to learn to his or her potential and empower students in their own learning

#### TECHNOLOGY

Technology shall be integrated to enhance, improve, engage, and stimulate the learning environment for all students
