- *<https://newrichmond.ce.eleyo.com>*
- *PreK Students register for one class and are with the same teacher all morning.*

15 days of Summer Fun

"Allowed our daughter to get a feel for her new school before starting kindergarten in the fall."

"Summer Stretch has always been a fun positive learning environment for my children."

"My youngest son enjoyed Summer Stretch and loved his teacher. It was a great experience for him. He attends St. Mary's during the regular school year so this is a great opportunity for him to get to know other kids in the district."
